Dear Mark:

I am pleased to announce that we have finalized selections for the Marriott Gold Standard, Renaissance Signature Collection and JW Marriott Platinum Collection 2009 portfolios. 2009 marks the first time that individual portfolios have been created based on each brand's tone of voice.

Each brand's portfolios are divided into two sections. The first, the list of core/mandatory selections, is represented by tiers one through three for wines and spirits and tier one for beers. The second, the list of optional selections, is represented by tiers two through seven for wine, tiers four through seven for spirits and tier two for beer.

The following items from your company have been chosen as optional items that hotels will be encouraged to consider to customize their beverage offering and to increase beverage revenues:

- Landmark Overlook Chardonnay - Tier 5 Optional (MHR / JW MARRIOTT / RHR)

MHR = Marriott Hotels & Resorts; RHR = Renaissance Hotels & Resorts

In addition to the product template file, please also find a current list of participating hotels by brand and a list of convention resort network hotels. The convention resort network hotels generate a substantial volume of banquet revenue and, therefore, have the greatest potential for volume depletions.

Please contact me if you have any questions.

Thank you in advance for your continued support.

Sincerely,

Daniel R. Hoffman

**2006 “Overlook” Chardonnay**  
77% Sonoma County 14% Santa Barbara County  
9% Monterey County

*The 20 plus separate vineyards that comprise this year’s Overlook include such distinguished growers as Sangaciomo, Bien Nacido, Martinelli, Lorenzo and Heintz. All the wine in the Overlook bottling is barrel fermented using indigenous yeasts and undergoes full malo-lactic fermentation. The wine is aged sur lie for ten months in Burgundian barrels and racked to tanks for blending.*

*The aromas of toasted almonds, caramel and coconut are followed by crisp green apple and lemon rind flavors that convey certain minerality. This wine will pair well with seafoods and shellfish, and complement pastas with cream sauces, as well as roast chicken and pork roast with fruit.*

*Landmark Vineyards is a family owned and operated winery located at 101 Adobe Canyon Road at Highway 12 in Kenwood, California 95452. Retail Sales & Tasting daily from 10:00 AM to 4:30 PM.
