

LANDMARK VINEYARDS

THE HERITAGE WINE SOCIETY

Dear Potential Heritage Wine Society Member

Mary and I would like to invite you to become a member of our Heritage Wine Society. The name of the club pays homage to my great-great-grandfather, John Deere, whose invention of the steel plow revolutionized farming. Landmark continues the Deere family's legacy of agricultural excellence by producing exceptional wines in the Sonoma Valley.

By joining the Heritage Wine Society, you will also be joining the Landmark family. We will extend wonderful offers to you including invitations to exclusive events, private Wine Society receptions at the winery, the opportunity to stay overnight at the winery in our guest cottage, and access to our hard to find limited production wines.

We look forward to seeing you here at the winery. If you have any questions about The Heritage Wine Society, please feel free to contact our Wine Society Director, Ryan Hortum at (707) 833-0226 or ryan@landmarkwine.com.

Cheers,
